EXAMINER'S COMMENT

1. Applicant has pointed out that the Examiner has not indicated that the drawings have been approved by the Official Draftsperson on a Form PTO-948. However, this requirement is no longer sent out by the examiner since drawings are only looked at by the Draftsperson after the case has been allowed.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

2. Claims 2-6 and 8-17 (renumbered claims 1-15) are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. Regarding claims 3 and 12, the primary reason for allowance is that the prior art fails to teach or reasonably suggest stopping the recording operation by depressing the shutter button a plurality of times within a predetermined period.
5. As for claims 4, 9, 13, and 16 the primary reason for allowance is that the prior art fails to teach or reasonably suggest stopping the recording by stopping an exposure of the imaging device.
6. With regard to claims 5, 10, 14, and 17, the primary reason for allowance is that the prior art fails to teach or reasonably suggest stopping the recording by stopping a reading operation of an image signal from the imaging device.
7. Regarding claims 8 and 15, the primary reason for allowance is that the prior art fails to teach or reasonably suggest that the recording operation is stopped by operating both the recording operation stop switch and the shutter button.
